Rental storage is assigned in three zones, Gold, Silver and Bronze, as per the attached diagram. Due to the demand for rack rental storage, the committee can only guarantee one storage space per member (whenever possible, in the preferred zone) although other preferences may be expressed for 2nd and 3rd kayaks held and will be granted if places remain. Payments should be effected as per space(s) preferred for the coming year, but some reallocations may be possible. In such instances, the boat owner will be refunded accordingly and asked to re-locate the kayak as necessary. In case of over-subscriptions of any zone, the preference for the first boat (Boat 1) requested by each member will be satisfied whenever possible. **RENTAL SPACES THAT ARE NOT RENEWED BY THE CLOSING DATE WILL LOSE THEIR RACK SLOTS.** Boats that are left in club premises for over one year without payment will become property of the Malta Sea Kayak Club. While the Club will do its utmost to ensure the security of equipment stored in the premises, it cannot be held responsible for theft or for any damages incurred.
